The Phoenix and the Carpet tells the story of four children who acquired a magic carpet when they found a special fire egg that hatched in their nursery fireplace. The phoenix came from the egg, and when he saw their mother s new Persian rug, he showed them that it was a magical thing -- a flying carpet that would take them any time and that place they could wish for. Witty, genuine, full of timeless sympathy and childish sensibility, The Phoenix and the Carpet offers a special ride through wonders for children of all ages. Like all of Edith Nesbit s books, The Phoenix and the Carpet is wonderfully intriguing and include many subtle moral lessons. Clean, inviting and witty, The Phoenix and the Carpet is a wonderful book for the young and the young at heart.
