## Modern German Plays

By Peter Yang

Peter Lang Feb 2015, 2015. Taschenbuch. Book Condition: Neu. 22.5x15x cm. Neuware - Modern German Plays: An Advanced German Textbook utilizes some of the most famous modern plays written in German as vehicles to teach German language, literature, and culture. The featured works are The Three-Penny Opera, The Devil's General, Caucasian Chalk Circle, The Chinese Wall, Visit, A Sports Play, and Innocence. The authors of these masterpieces include not only world-renowned dramatists such as Brecht, Zuckmayer, Frisch, and Dürrenmatt but also such celebrated contemporary female playwrights such as Nobel-laureate Jelinek and Loher. Designed to meet the instructional needs of advanced German courses, this volume combines a number of pedagogically proven foreign language teaching and learning strategies, primarily the communicative approach and the three-stage reading strategy. The organization of the featured plays by chapter provides the instructor with not only a welcome teaching and learning resource but also a convenient and flexible course management tool so that each instructor can decide how many plays to include in the syllabus and how to proceed in covering the plays. 242 pp. Englisch.

### Reviews

*This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who state that there had not been a worth looking at. You won't really feel monotony at any moment of your own time (that's what catalogs are for about should you request me).*

-- **Cale Hansen Sr.**

*This book might be worthy of a go through, and a lot better than other. It had been written really properly and helpful. You may like just how the author write this publication.*

-- **Prof. Mattie Beatty**
