Brand New Book ***** Print on Demand *****.The National Park Service (NPS) was formed on August 25, 1916, and is the U.S. federal agency that manages all national parks, many national monuments, and other conservation and historical properties with various title designations. Water Resources Scoping Reports provide an overview of water-related legislation and summarize the hydrologic environments in the park. The reports also identify and provide limited analysis of high-priority water resource issues and management concerns. This is one of those reports.
