Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This book is part of The Integrated Life series. **THE CONCEPT:** In the pursuit of economic survival, bodily sustenance and social acceptance, people often (1) disregard their passion in order to focus on a practical career, (2) allow their diet to undermine their health, and (3) deny their sexual and gender wiring in order to conform to societal concepts of relationship. Therein lies the majority of unhappiness in our modern life. The solution is to live the integrated life! Take the Integrated Life online test at and discover how integrated these areas of your life are! Then, read the book to learn what to do about it! \*\*\* **ABOUT THIS BOOK:** Scientists tell us that the human body is genetically coded for perfect health, youthfulness and immortality. In other words, since the body's 7 trillion cells renew themselves every seven years, there's actually no reason for us to age, get sick or even die. If that's true, then what are we doing wrong? Why are people getting sick younger and aging faster? How did we lose our connection to immortality? And how do we get it back? What if there were a way you could re-activate your body's dormant code and stay young forever or at least a lot longer? Imagine living in perfect health for all your life and never getting sick. Imagine if you never caught a cold, didn't get cavities, and kept your skin smooth, your mind sharp, and your body vital and energetic for as long as you chose to live--without pills and drugs! Are there people living now who know those secrets? Might there actually be immortals living among...
