*It is one of my personal favorite book. It is written in easy terms and never hard to understand. It's been designed in an exceedingly easy way and it is only after I finished reading this publication by which in fact changed me, change the way I think.*

## A PAYROLL TO MEET: A STORY OF GREED, CORRUPTION, AND FOOTBALL AT SMU

University of Nebraska Press, Lincoln, 2013. Paperback. Book Condition: New. First Edition. Southern Methodist University in Dallas is one of numerous prestigious universities in Texas. The school's football team was the pride of the university and the city. Before the late 1970s, however, the relatively small school had trouble recruiting and struggled to keep up with the big-time football universities that were often more than double its size. Under pressure to compete, the SMU football program engaged in ethics, rules, and recruiting violations for years. When the corruption came to light, the NCAA handed out its most serious punishment in the history of college sports - the "death penalty" - which cancelled the team's entire 1987 schedule. In *A Payroll to Meet*, author David Whitford details the Mustangs' descent into corruption and the fallout when it was discovered. Most egregiously, the football program ran a huge slush fund that was used to pay players from the mid-1970s through 1986. Bill Clements, chairman of the SMU board and soon to be reelected governor of Texas, knew all about the slush fund before the NCAA did. He opted, however, to phase out the payments rather than stop them immediately, for fear that angry players might go public and create still more problems for SMU. Clements and the athletic director Bob Hitch decided that the football program had "a payroll to meet." Size: 8vo - over 7 $\frac{3}{4}$ " - 9 $\frac{3}{4}$ " tall.
