Createspace, United States, 2014. Paperback. Book Condition: New. 277 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The most authoritative and innovative guide to professional football (previously known as Pro Football Prospectus) is back for an all-new season with more cutting-edge statistical analysis, obsessive film study, and trademark humor. Includes comprehensive coverage of all 32 NFL teams, analysis of offseason personnel changes, over 500 KUBIAK fantasy football projections, and breakdowns of every team from the five major college football conferences plus the top independent and mid-major college teams. With numerous statistical measures that go far beyond standard NFL stats, Football Outsiders Almanac 2014 gives NFL fans the kind of sabermetric-like statistical analysis that revolutionized the fan s understanding of baseball. It s also written with a knowing dry wit that gets under the skin of America s most popular spectator sport. Groundbreaking team and player DVOA ratings that correct for situation and opponent to reveal which offenses and defenses are truly superior, and which players really help win games. Exclusive data from the Football Outsiders Game Charting Project, unavailable in standard NFL stats, tells you which running backs face the most men in the box; which quarterbacks benefit the most from yards after catch; which teams most often blitz or run specific offensive formations; and which defensive backs stop the other team s passing game, measured by pass coverage on every single play rather than just tackles. Detailed information on each team s performance in 2013 by offensive and defensive personnel package. Detailed individual stats for offensive linemen and defensive players. Extensive coverage of all 32 teams with week-by-week stats from the 2013 season, five-year performance trends, and analysis of off-season personnel changes. Exclusive 2014 predictions that give the odds on each team as...
