Anness Publishing. Board book. Book Condition: new. BRAND NEW, My First Bedtime Stories, Nicola Baxter, Marie Allen, This title features eight sweet sleepytime tales, perfect for sharing with little ones. The text works with the illustrations to get children answering questions about what they see, so they feel involved in telling the stories. Can you see Bella in the school band, and can you find all of Molly's toys? Special indented windows on the front cover show all the main characters, including Peter in his bright pyjamas and Bobble the pesky pup. A shiny foil finish throughout adds to the appeal. The beautifully illustrated tales in this collection are all short and sweet. The cute and clever pictures ensure that children can help to tell each story along with their grown-up helper. There is plenty to laugh about together, and these tales are an ideal way to set kids on the path toward reading. From a naughty new puppy to learning how to play a musical instrument, children will be able to engage with these narratives. Others deal with the first day of school, bathtime fun, bright nightwear, a fairy who helps people to drift off to sleep, and a mammoth mountain of cuddly toys. The final story in the book is designed to help kids to wind down and relax, ready to enjoy a good night's sleep.
