Parenting is a difficult occupation no matter how you look at it. With a bright and creative child, sometimes parents will have even more relationship problems. What is creative thinking? Well, for one, with a creative thinker like Jimmie in our story, when a parent says, Thou shalt NOT, a resourceful child will think, When and how can I do it? How to Parent a Child was not a book that Jimmie s Father even thought of using for reading material in the you know where. And what is child abuse? Does it begin and end with physical abuse? Not hardly. However, instead of sulking and becoming miserable, Jimmie handled his potential depression with an extremely inventive idea. Not only that, he solved his relationship problem with his Dad. Also, he was able to do this in a manner in which, no one would be able to lay blame under HIS skateboard! Jimmie s Dad really should have taken a lesson in child development and parenting from his son. Don t miss out on reading Christmas Craving to find out Jimmie s ingenious solution to his battle with Dad about the skateboard!.
