

## CCNA 1 and 2: Lab Companion (Paperback)

By Inc. Cisco Systems

Pearson Education (US), United States, 2004. Paperback. Book Condition: New. 3rd Revised edition. 274 x 216 mm. Language: English . Brand New Book. The only authorized lab companion for the Cisco Networking Academy Program Cisco Networking Academy Program CCNA 1 and 2 Lab Companion, Revised Third Edition, is the complete collection of labs created for version 3.1 of the Cisco Networking Academy Program CCNA 1 and CCNA 2 web-based courses. A collection of more than 100 labs, including the Case Study labs from the CCNA course, provides you with hands-on experience to practice the skills needed for CCNA certification. The material begins to prepare you to take the CCNA certification exam (640-801, or 640-821 and 640-811). Keep your completed labs on-hand in this book to use as a study guide later. These labs are also referenced in the Cisco Networking Academy Program CCNA 1 and 2 Companion Guide, Revised Third Edition. Each lab helps facilitate your full understanding of the networking and routing topics covered with features like: Objective-Identifies the goals that are to be accomplished in the lab.

\*Background/Preparation-Provides a list of the equipment needed to run the lab. \*Reflection Questions-As appropriate, the labs include questions that elicit particular...

### Reviews

*A must buy book if you need to adding benefit. This is for anyone who statte that there had not been a well worth reading through. Its been designed in an exceptionally straightforward way which is simply right after i finished reading this book where basically changed me, change the way i think.*

-- Adrien Robel

*Basically no words and phrases to describe. It is really simplified but unexpected situations in the fifty percent of your book. I am delighted to let you know that here is the very best publication i have got go through within my very own lifestyle and might be he greatest publication for actually.*

-- Watson Kohler
