

Science of Common Life (Classic Reprint) (Paperback)

By A T Simmons

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****. Excerpt from Science of Common Life The value of an introduction to the scientific method in the school training of both sexes is now fully recognised. There is still some difference of opinion, however, as to how girls can best be taught to appreciate the value of experiment and deduction in the endeavour to understand the forces of Nature. Fortunately, we believe, the idea gains ground that there are no more suitable means than the ordinary operations and practices of the household to illustrate physical and chemical laws. Adopting the general trend of the recent syllabus of the Board of Education, though in no sense slavishly following its details, we have attempted to make students familiar with those broad principles of science without which the intelligent guidance of the domestic economy is impossible. Adhering to the belief that it is only by experiment that the truths presented can be made real to young minds, we have arranged a large number of suitable practical exercises the due performance of which will provide a sure foundation for the later explanations...
