Reviews

Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

David & Charles. Hardback. Book Condition: new. BRAND NEW, Life Along the Line: A Nostalgic Celebration of Railways and Railway People, Paul Atterbury, "Life Along the Line" takes a nostalgic look at the world of British railways through the eyes of bestselling author and antiques expert Paul Atterbury. Focusing on the human experience of the railways - the drivers, firemen, guards, station staff, signalmen, engineers, caterers and, of course, passengers - the book is a visual feast, filled with fascinating archive photographs of steam trains, other locomotives, memorabilia and evocative railway ephemera. Built from archive photographs, old postcards, badges and other railwayana, the book is filled with fascinating material that Atterbury has himself collected from tireless searching at postcard and antique fairs and auction sites. Many of the illustrations are therefore original and previously unpublished. This title covers railway life across the network as well as showcasing local differences in a series of regional sections.
