WELCOME TO THE USSA CORRUPTION IN THE GOVERNMENT AND MEDIA

[DOWNLOAD](#)

iUniverse, Inc. Paperback. Book Condition: New. Paperback. 176 pages. Dimensions: 8.8in. x 6.0in. x 0.6in.Beyond the facade of the two major political parties, there is an inherent flaw in our system. Like the USSR, the imperial road of constant perpetual war and the shameless corporate consolidation of wealth, will beget an economic implosion. The systems weakness is mainly in the executive branch where the cabinet can be stuffed like a corporate wish list of big money puppets who trade blood for profit. The war pigs over bloated, military budget does not have the primary purpose of defense. It serve as a medium to funnel cash into select industries, particularly, energy, pharmaceuticals, weapons, and construction. Both parties voted for a war that was based on conscious lies, not tragic mistaken intelligence, or even incompetence, this war was based on well-planned propaganda, known forgeries, and intentional lies. Discover the roots of the war planers, how they promoted it, and why. It is time the great American nation exposed its neocon leeches and removed the Zionists snakes in our ear. The press is too busy with celebrity gossip to care about reporting the news. Mass media is deceptive. We at www.anti-neocons.com break the media monopoly. If you want to know the truth, you can not trust the TV. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
