THE ART OF INVESTING: TIME, FIND AND SCORE (PAPERBACK)

[DOWNLOAD](#)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. We start with Finding Stocks, Analyze Stocks, Styles in Investing, Strategies, Market Timing, Technical Analysis. Most sections start with Why to lure you to read more and are followed by How for the coach potatoes, How and then the theory behind the section. No one including all the Federal Reserve chair men / women and all the Nobel-Prize winners in economics can predict market plunges. Many predicted correctly market crashes by pure luck and some even received Nobel Prizes and became famous. There is no model and formula to predict market plunges and tell you when to reenter the market except my simple chart described in this book. It covers most topics in investing. This book is a rewrite and a combination of Debunk the Myths in Investing and its sequel Investing Strategies: Updated and Profitable. Many chapters have been rearranged to have a smoother flow and updated, and some non-essential chapters have been deleted. Updated: 11/2015. Size: Kindle 720 pages (6*9) Paperback. 590 plus 120 on web.
