It was a quaint little town, about three hours from Vegas. I had a little culture shock, coming from Las Vegas of half a million people, to a city of twenty-eight thousand. I left Las Vegas and the Judges Wife. I was now the new kid in school. Even at fifteen years old, I had plenty of street smarts. I d show my talents and skills to rock these women s world. My Drama teacher, Miss Roberts and the girls gym teacher Shirley, selected me to do a sports endurance test. I had no idea what their requirements of me would entail! The characters in this book are real. I ve changed their names out of respect for their privacy.
