Microcosm Publishing, United States, 2011. Paperback. Book Condition: New. 175 x 140 mm. Language: English . Brand New Book. In the tradition of our DIY city guide The Zinester s Guide to Portland, we re proud to announce our brand-new New York City version! The Zinester s Guide to NYC is a top-to-bottom, on-the-cheap, warts-and-all exploration of the city that never sleeps. Whether you re looking for scam-able coffee or a place to grab a Japanese breakfast, art supplies, volunteer opportunities, or a 4-story Korean bathhouse, the ZG2NYC has it all. Anecdotal and opinionated, the ZG2NYC has listings from over twenty New York-based zine publishers, toiling under the benevolent umbrella of Ayun Halliday (Chief Primatologist of The East Village Inkyzine, author of No Touch Monkey!) The best way to experience the city is to really participate in it, Halliday says. Why watch the parade when you can march in it? People should know that they can guest bartend, play bike polo in Sara Roosevelt Park, create a public park in a parking space on National Park(ing) Day, and submit the 5-minute movies they shoot on the boardwalk to next year s Coney Island Film Festival. Like our Portland guide, the pocket-size NYC book is divided into illustrated, user friendly sections (Bars! Pizza! Historic buildings! Veggie options! Open mics! Craft supplies! The keys to low-budget NYC romance!) that give up the goods for first-timers and native New Yorkers alike.
