By James Sully

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Elements of Psychology: Applications to the Art of Teaching, on the Basis of Outlines for the Use of Use Schools, High Schools, Circles, and Students The issue of a portion of Sully's new work in this form makes necessary the following explanation. Mr. Sully's large text-book, *The Outlines of Psychology*, published in 1884, gave such prominence to the application of psychology to education as to suggest the desirability of separating this portion from the main text, and issuing it in a cheaper and more convenient form for general use of teachers. As soon as this demand became apparent, the publishers at once communicated with Mr. Sully upon the subject, and he replied that an abridgment of this kind was a thing he had already purposed to do, and would immediately undertake the work and complete it without delay, so that it might be ready the first of the year, as intended, and the announcement was widely published. Nothing has been permitted to hinder the progress of the work, but it has been found...

Reviews

This publication will never be effortless to begin on studying but extremely entertaining to learn. It is probably the most incredible publication I have gone through. I realized this ebook from my i and dad suggested this publication to learn.
 -- Austin O'Connell

A brand new e book with an all new point of view. I have got read and I am sure that I am going to likely to read through once more once more in the future. It is extremely difficult to leave it before concluding, once you begin to read the book.
