I am the Hungarian Yankee from Chicago who wrote this book. I learned the English language from the British Broadcasting Corporation while listening to short waive radio on the Russian Front in World War II. I loved it. I mean the language not the war. This book started with Grandmother at my birth and will end 90 some years later when Saint Peter, our gatekeeper calls me. This book documents that for almost ninety years I was not just alive, but also loving the people who made it worth living. This book is neither a fiction, -it is real life, -nor is it a documentary not being chronological. It is rather an interactive Chit-chat between the author and the reader. The main characters are often funny and occasionally dramatic, always proving that the fruit of learning and working during the day, loving and hugging during the night will be HONEY.
