

## Moral Hazard and the Lighter Side of Human Extinction (Paperback)

By Alex Turbow, MD Jd Bob Turbow

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. We never figured ourselves for the type of people to stand on a street corner toting a sign that reads, The end is near. Moral hazard has driven us to adopt this desperate mindset. The term moral hazard may seem obscure because it has previously been confined to economic theory, insurance practices, and reckless lending and borrowing. We have expanded the term to include any behaviors that put others at risk. The good news is that we (likely) won't slowly fade into unconsciousness while zombies chew on our skulls, but any of us could be killed today by a distracted driver or others exhibiting reckless behavior. Moral hazard is so prevalent that we don't even notice the headlines. Major sporting good company found guilty of using child labor, again. Home run slugger suspended 100 games after testing positive for performance enhancing drugs. More nuclear launch officers suspended indefinitely after cheating on proficiency tests. Moral hazard is all around us and appears in forms most wouldn't think possible. We are increasingly treating each other with lethal...

### Reviews

*Most of these ebook is the best publication available. It is definitely simplistic but unexpected situations within the 50 percent of the book. You will not sense monotony at any moment of the time (that's what catalogs are for relating to in the event you request me).*

-- King Wunsch

*This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).*

-- Prof. Buddy Leuschke
