One hundred and seven years ago the Congress voted and George Washington approved a foundation for this university. Seventy-five years ago it opened its doors. Now si monumentum quaeris, circumspace. There is the catalogue. There are the long lists of men who so served the State or the Church that their lives are your glory, their names your inspiration. There are the longer lists of others to whom kinder fortune did not set duties in the eye of the world. But Miami made of them citizens who leavened the lump of that growing West, which was then a sprawling, irregular line of pioneer settlements and is now an empire. Search through it, above and below the Ohio, and beyond the Mississippi. So often - where there are centres of good work, or right thinking and right living - so often and so widely spread will you find traces of Miami, left by her own sons or coming from those secondary centres that grew out of her example and influence, that you are led in grateful surprise to exclaim: If this be the work of a little college, God bless and prolong the little college! If, half-starved and generally neglected, she has thus nourished good learning and its proper result in good lives through the three-quarters of a century ended to-day, may the days of her years be as the sands of the sea; may the Twentieth Century...
