Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from **Tires and Vulcanizing: A Comprehensive and Practical Manual of Rubber Tires, Tire Repairing and Vulcanizing, Including All Necessary Information and Instructions on Rubber, Compounds, Cotton and Repair Materials; The Construction of Pneumatic Tires** Together With Their Use, Inju Tires and Vulcanizing has been written to meet the call for a complete and accurate handbook covering the entire field of repairs to automobile, motor truck and airplane tires. The book describes in detail each operation in all the variations of application as found throughout the country. It has been arranged to meet the needs of the beginner and the expert, of tire station owners and managers and of car owners wishing a knowledge of this trade. All of the repair methods are explained step by step and all have been selected after extensive tests in actual service. By careful application the workman will develop into the equal of any in the trade and will be able to handle all classes of work in the shop equipped with plate, cavities and kettle, together with such regular equipment as is generally found. The man already experienced in tire repairing will find information of the greatest assistance in the further development of his skill. A great deal of new information relating to tire work and to the tire business has been gathered and is logically presented. The author has been actively engaged in this trade for years, both at the bench and while making installations of all kinds of equipment. During later years he has trained hundreds of tire repair men, both for regular work and for the Army. All of the experience and methods found best have been...
