Pragun Publications, New Delhi, India, 2008. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. Since time immemorial, India has been synonymous with spiritual knowledge and people have been drawn to her sacred land. Some were philosophers, poets, writers, historians, scientists, and travelers. Some came to India others read translations about her rich and imaginative literature and felt genuine enthusiasm for her. The fourth Caliph in the 7th century is reported to have said, "the land where books were first written and from where wisdom and knowledge sprang is India." Despite the wars and imperialism, ancient Indias spiritual influence and wisdom has had considerable impact on the West, especially on its imagination, science, and literature: English Romantic poetry in particular. Scientist, scholars, poets, writers, and philosophers all have paid the highest compliment to Indias wonderful metaphysical, religious, artistic, linguistic, and cultural genius by imitating and incorporating some of these ideas and theories into their own work. Hinduism has been like the rainforest of the spirit, always rejuvenating, evolving, and transforming over the millennia. Like an elegance of an exquisite seamless sari, which unfolds with supreme grace to showcase its intricate pattern, so does A Tribute to Hinduism. This book is a collection of positive and inspired gems of thoughts and wisdom from the writings of eminent philosophers, scientists, thinkers, historians, and authors from the West and the East on Hinduism and India. It catalogs their thoughts and the inspiration that they have drawn from Hinduisms rich philosophy. Printed Pages: 550 with 32 colour illustrations. Size: 15 x 23 Cm.
