That was a very interesting twist at the end will be looking forward to see how Martin, Everton and the girls journey turn out. very very good, it made me reflect on my journey how u just neva know how things will end up, but with faith and no fear of man anything is possible with the Most High by your side. Im glad I crossed paths with such a talented sista Maasha Allah (as God has willed), may peace and blessings be with you always on your journey. Small Town Earth is a really good book to read! I thoroughly enjoyed the storyline and the personalities of each character. Dada Aum Ra is an excellent writer, her ability to move you and broaden your perspective of family, friends, community, and humanity as a whole is what very few writers can do. I most certainly recommend this book...
