REDCOATS' REVENGE: AN ALTERNATE HISTORY OF THE WAR OF 1812

[DOWNLOAD PDF](#)

Potomac Books Inc. Hardback. Book Condition: new. BRAND NEW, Redcoats' Revenge: An Alternate History of the War of 1812, David G. Fitz-Enz, What if, on September 11, 1814, the United States had lost the close-run battle that Winston Churchill called the most decisive of the War of 1812? With a victory at Plattsburgh, would the British have eventually been able to regain control of their former colonies? Only one fleeting moment on Lake Champlain might have been needed to forever alter the young country's history and return it to the grip of King George III. "Redcoats Revenge" brings the most successful field commander in history, the Duke of Wellington, to North America in 1814. A coalition of eight European countries has recently defeated Napoleon. With the emperor's threat to England eradicated, Wellington releases the most powerful military juggernaut for service in the Western Hemisphere. His audacious plan sends him and his avenging veteran redcoats plunging straight south from Lake Champlain toward New York City. In Washington, the streets crackle with tension at the news of British ships on the Chesapeake. The White House is promptly evacuated and the capital left undefended when a diversionary force approaches the city and chokes off Baltimore. President James Madison must now decide which of his generals is capable of successfully facing off with the Iron Duke. No friend of the tyrannical Maj. Gen. Andrew Jackson, Madison finally agrees that he may be the only commander with any hope of matching Wellington. "Redcoats Revenge" is a vivid montage of the personalities and battles real and quite possible of the War of 1812. With its clever and compelling premise, this exciting alternate history will enthrall readers and reveal just how close the United States was to becoming a British colony once again.
