I never dreamed I'd become one of the family. Besides, even if the Shoffners seemed nice, it was surely a matter of days before my new foster dad would start visiting me at night. A Soul Survivor from the age of five, Judy Fenyes was shipped from one abusive foster home to the next after losing her mother to cancer at the age of five and her sexually abusive father to the state only one year later. View through Judy's eyes the horror of a life of abuse, being ripped from her twin sibling, and finally experiencing joy as she was surprised to become an important part of a loving family with fourteen half siblings! But that joy wouldn't come easily. As cancer engenders fear into Judy's entire family, she faces yet another round of survival, relying on scientific breakthroughs and the grace of God to help her make a life-altering decision. Soul Survivor will make you cry and at times make you angry, but most of all it will show you how even one little girl can overcome terrific obstacles. If you believe in Jesus when the cards are folded, he will give you a new hand to play, and you will survive.
