Strictly English: The Correct Way to Write . and Why it Matters

By Simon Heffer

Cornerstone. Paperback. Book Condition: new. BRAND NEW, Strictly English: The Correct Way to Write . and Why it Matters, Simon Heffer, "Be in no doubt: the beer was drunk but the man drank the beer." "We must avoid vulgarities like 'front up'. If someone is 'fronting up' a television show, then he is presenting it." Simon Heffer's incisive and amusingly despairing emails to colleagues at the "The Daily Telegraph" about grammatical mistakes and stylistic slips have attracted a growing band of ardent fans over recent years. Now, in his new book "Strictly English", he makes an impassioned case for an end to the sloppiness that has become such a hallmark of everyday speech and writing, and shows how accuracy and clarity are within the grasp of anyone who is prepared to take the time to master a few simple rules. If you wince when you see "different than" in print, or are offended by people who think that "infer" and "imply" mean the same thing, then this book will provide reassurance that you are not alone. And if you believe that precise and elegant English really does matter, then it will prove required reading.

Reviews

A top quality publication and also the font employed was interesting to learn. It is really simplistic but excitement within the fifty percent from the book. Its been designed in an remarkably basic way in fact it is only following i finished reading this pdf where in fact changed me, modify the way i believe.
