Summaries

Project Nemesis
Dean's father works for the government. Dean and his friend Jamie use his dad's password to hack into a secret government computer site. Their hacking is traced and an armed SWAT team arrives. Dean's dad realises that the boys' computer skills could help solve a government crisis.

Aliens Don't Eat Bacon Sandwiches
Tony becomes convinced that his brother has been taken over by an alien. Tony knows that Dan could never resist a bacon sandwich and decides that if Dan can be persuaded to eat one it would break the alien's hold over his brother. Sure enough his hunch is proved right.

Miss Mountain
Daisy and her brother discover a silver biscuit barrel in their grandmother's box room. They persuade her to use it in the kitchen. When Daisy goes to stay, she hears desperate cries from the kitchen. Her grandmother explains that she had been ill-treated by her stepmother who had placed a mousetrap in the biscuit barrel to hurt her. Somehow the memory of her misery is contained in the biscuit barrel.

The Airmen's Sixpence
Ruby and her brother are not happy as evacuees – Mrs Penbury is kind to Ruby but very unkind to Billy. Ruby decides they should return to London and, feeling very guilty, steals money for the fare. On their way to the station they meet an airman who seems to know all about them. He gives them the fare and offers to return the stolen money. Back in London Ruby learns that Mrs Penbury's son had been an airman killed in action.
